PROJECTS

Bank4Ever (Web)-Online Banking System— [Source Code](#)

- **Tech:** Java, SpringBoot, NextJs, MySQL, Tailwind CSS, Twilio, JWT.
- Crafted an innovative online banking platform utilizing Java, Spring Boot, and MySQL for backend operations, complemented with Next.js and Tailwind CSS for seamless frontend experiences. Integrated Twilio and JWT for enhanced security and communication functionalities.

Book Store Management System (Web)— [Source Code](#)

- **Tech:** .NET core MVC, Entity Framework, MSSQL.
- Developed a Book Store Management System enabling user authentication, and efficient management of genres, authors, publishers, and books.
- Implemented robust CRUD operations for comprehensive data handling, improving user experience and administrative capabilities in the book store management process.

Fasal.com (Web)-Online Agricultural Marketplace— [Source Code](#)

- **Tech:** MongoDB, NodeJS, Express, React, JWT.
- It is an innovative web application connecting farmers with buyers, revolutionizing agricultural trade.
- Designed a seamless buying experience for agricultural buyers, enabling them to browse and purchase crops directly from farmers.

EDUCATION

Dharmsinh Desai University, Nadiad — *B.Tech, Computer Engineering (Final Year)*

2021 - 2025

CPI - 8.34 / 10.0

Gyanmanjari Vidhyapith, Bhavnagar — *HSC (11th - 12th) - Science - PCM*

2019 - 2021

Percentage - 92%

SKILLS

- **Core Skills:**
 - **Competitive programming | OOP | DBMS | Software engineering | OS**
- **Programming Languages:**
 - **Java | JavaScript | C++ | C#**
- **Database:**
 - **MySQL | MongoDB**
- **Web & Software Development:**
 - **Spring Boot | NodeJS | Express | ReactJS | Tailwind CSS | .NET core**
- **Tools:**
 - **Git-Github**

ACHIEVEMENTS

[Codechef:](#)

- 4-star Ratings: 1814 max
- Global Rank 270, in codechef May Long 2
- Global rank 333, in codechef starters 48

[Leetcode:](#)

- 200+ problems solved
